The Kenesaw Booster Club is a volunteer group of parents which exists to positively support, promote, and
enhance all Academic Programs, Athletics and Staff at Kenesaw Public Schools. Some ways that we
encourage school spirit and provide financial support include; funding for Striv to stream athletic events,
special treats for our Students and Staff, meals for various events (i.e. District Playoffs, Parent/Teacher
Conferences, Homecoming, Community Clean-Up.) The Kenesaw School signage at the main entrance was
also funded by the Booster Club.
