

Emma Schroeder- February 2019

Student of the Month

Emma Schroeder is the type of student who makes Kenesaw Public Schools a special place. Her bubbly personality and constant “can-do” attitude make her the ideal candidate for student of the month for February 2019.

To begin, Emma excels in the classroom. As an attentive listener and participant in classroom discussions, Emma is a great contributor to learning. Academically, her work is always of high quality. She treats others, including her teachers, with the utmost respect, and interacts so well with her peers. What sticks out most about Emma is a willingness to try anything. No task is too hard for Emma to give her best effort. When she meets challenges, she does not complain. She puts her head down and

exemplifies true grit.

Emma has been very impressive as a member of the Kenesaw Speech Team this year. In just her second year of competition, Emma has been one of the team’s most consistent medalists. As a participant in both humorous and serious prose this year, Emma has medaled at every tournament she has attended. Her results are as follows: 5th place in serious prose at Adams Central, 2nd place in serious prose at Ord, 1st place champion in serious prose at Gothenburg, 1st place champion in humorous prose and 3rd place in serious prose at Sandy Creek, and 5th place in humorous prose and 9th place in serious prose at Sutton. These results are the results of countless hours of practice, hard work, and dedication.

Emma is also a talented saxophone player in the Kenesaw High School band. She was an outstanding actress in the school’s one-act play production of *Oz as the Wicked Witch of the West*. She participates in volleyball, basketball, and track as well, proving she is one of the school’s most well rounded students. Emma also participates in FBLA and is involved in various other extra-curricular organizations and after school functions.

Overall, Emma Schroeder is an incredibly worthy candidate for student of the month. She deserves recognition for her work in the classroom, extra-curricular activities, and also for just being a great person. Emma is a joy to work with each and every day. She is the type of student teachers and administrators look forward to seeing in the hallways and classroom, as she’s constantly got a smile on her face and a willingness to give her best effort and help out in any way she can. Congratulations, Emma!
