*Last year Booster Club was able to provide special treats for the Football, Volleyball, Cross Country, Dance, Cheer, Basketball, Wrestling, Track, Speech, Drama, Music, and Quiz Bowl teams as they traveled to competitions. We provided meals for both home and away football teams during the playoffs, and provided funds for meals for teams traveling to district playoffs. We promoted school spirit by decorating a Homecoming float, providing drinks for all students at Homecoming and Community Clean-up Day, sponsored Booster Club Clothing, and provided meals for teachers and staff at both Parent/Teacher conferences. We also provided funds to have athletic events live streamed on the Striv internet site. We hope to expand the use of Striv this year!*

We're also working with the school to finalize plans for a sign outside the school office.

We appreciate your support and volunteer time and wouldn't be able to do all of these things without you!
