

KENESAW COMMUNITY PACKS OF LOVE

Packs of Love is being offered to students who are in need. The program gives your child a backpack not for books, but for food to help provide for them on the weekend. If your family would like assistance providing food for your student on the weekend, we want to help.

Your child's food backpack will be filled and placed in their locker on the last school day before the weekend or break. Your child will be responsible to return their backpack to the designated place in the elementary hallway by Wednesday of each week. If their bag is not returned, it will not be filled for the weekend.

We will do our best to ensure that this program is confidential. Students will not be identified as participating.

Parents and guardians concerned with food allergies need to be aware that Packs of Love many include ingredients such as soy, wheat, eggs, and milk. The Packs of Love program and Kenesaw Public Schools will not assume any liability for adverse reactions to food consumed.

If you believe your child could benefit from this program, we encourage you to sign them up by filling the form out on the back of this letter and returning it to the front office. Only one form is needed for all the children in your family, but you must include information for each child receiving a pack in the form below.

Please text or call 402-462-0802 with any questions or concerns about the program.

Sincerely,
Packs of Love Providers

KENESAW COMMUNITY PACKS OF LOVE

I grant permission for my child to participate in the Kenesaw Community Packs of Love program and for program sponsors to place my child's food pack in their locker each week.
