

# KENESAW PUBLIC SCHOOLS

Inspire Excellence

October 4, 2022

Dear Sir or Ma'am,

Kenesaw High School has been selected to host the Nebraska State Student Council Convention on Friday, October 21, 2022 where we will have over four hundred student leaders from across the state attending to develop skills in the areas of Leadership, Voice, Service, and Engagement-the hallmark values of the Student Council Organization.

We are excited for the opportunity to showcase our community, school, students, and staff. Due to your continued support of Kenesaw Public Schools, we are respectfully requesting and inviting you to participate in the convention by presenting a 30-minute session in your area of expertise and/or on a topic of your choosing in which you have valuable experience and insight that would support our students in developing their leadership skills.

Due to the number of students attending, we are aiming to have at least 10-12 sessions per timeslot. Your agreement to participate in at least one (or more) would enable us to provide the best experience possible for student leaders across the state and we hope you will join us! Before you click on the link below, know that NO EXPERIENCE IS REQUIRED! All we need is a willingness to help shape our students to be 21st century leaders.
