Policy compliance results

Wellness policy goals

1. Nutrition education/promotion
2. Physical activity
3. Other goals for student well-being

Kenesaw Public School Wellness - Policy 2026

Key achievements

1. Wellness Policy has been updated and posted to the School Website.
2. Encouraging students to eat healthier and to exercise more.
3. Having community involvement in the wellness policy is a great start.

Next Steps

Our Wellness Committee will meet quarterly to discuss how the policy is being followed and moving forward. The committee has only been meeting once or twice a year and they now will meet on a regular basis to be in compliance.
